Sanctioning of West Bengal projects

1902. SHRIMATI KANAK MUKHERJEE : Will the PRIME MINISTER pleased to state :

(a) whether it is a fact that not a single West Bengal project has been rejected but have only been postpone due to financial constraints; and

(b) if so, by when the West Bengal projects like new railway lines Haldia ship repairing project, Durgapur truck manufacturing project, etc. are expected to get clearance from the Centre ?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI AJIT KUMAR PANJA) (a) Details of the outlay of expenditure under the Sixth Plan of West Bengal are given in the Statement I enclosed.

The reviews of the State Plan which were undertaken jointly with the state Government at the time of formulation of the successive Annual Plans, have revealed that the expenditure has fallen short mainly because the State Government had not been able to mobilise own resources to the extent envisaged in the Plan. The expenditure would have been still less of additional Central assistance of Rs. 81.89 crores and medium-term loans of Rs. 414.43 crores were not given by the Central Government over and above its original commitments.

(b) statement—(II) is attached setting out the position in regard to these projects.
